

2040

TRANSPORTATION PLAN

Adopted May 2018

Illustrations of the transportation network within the Metropolitan Planning Area. Areas include portions of Allen, Whitley, and Huntington Counties, the Cities of Fort Wayne and New Haven, and the Towns of Grabill, Huntertown, and Leo-Cedarville.

For Additional Information Contact NIRCC
200 East Berry Street Suite 230
Fort Wayne, IN 46802
(260) 449-7309

Table of Contents

Chapter 1 –Introduction	1
Historical Background	1
Transportation Planning Requirements	7
Performance Based Planning and Programming	20
Federal Transportation Performance Management	22
Highway Performance Measures	23
System Performance Measures	23
Infrastructure Performance Measures	23
Safety Performance Measures	24
Transit Performance Measures	24
Transit Asset Management Plan	24
System Management Report	26
Target Setting	26
Reporting	26
Regional Goal, Objectives, Actions and Measures	28
Study Process	46
Report Organization	47
Chapter 2 –Base and Planning Year Socioeconomic Data	49
Base Year 2015 Estimates	53
Population	53
Households	54
Automobile Ownership	54
Employment	54
Planning Year 2040 Projections	54
Population	57
Households	60
Automobile Ownership	60
Employment	60
Summary	61
Chapter 3 –Travel Forecast: 2040 Travel Demands	63
Travel Forecasting Process	63
Travel Forecasting Procedure	63
Analysis of Regional Activity Forecasts	67
Trip Generation	69
Trip Distribution	70

Evaluation of the Transportation System	71
Existing Highway System.....	71
Transit System	73
Conclusion	77
Chapter 4 –Evaluation of Alternative Transportation Sketch Plans _____	81
Alternative Network Testing	81
Roadway Design Standards	82
Highway Alternatives	82
Transit Alternatives	87
Chapter 5 –Selection of the Recommended Plan _____	91
Documentation of Public Participation	91
Environmental Justice	92
Defining and Identifying Minority and Low-Income Populations	93
Public Involvement Strategies for Engaging Minority and Low-Income Populations.....	94
Measures for Evaluating Benefits and Burdens of Transportation Plans and Projects	102
Factors Influencing Plan Selection	104
Livable Communities	105
Financial Analysis	107
Chapter 6 –The Selected Plan _____	109
Goal of the Transportation Plan	109
The Recommended Plan	114
Highway Improvements.....	114
New Construction	114
Widening Projects	114
Congestion Management Strategy Implementation	114
Other Highway Improvements	117
Highway Policies	118
Transit Improvements	119
Public Transit Policies	119
Public Transit Improvement Projects	121
Specific Improvements from Transit the Transit Development Plan	122
Identified Transportation Strategies from Coordinated Transit Plan.....	122
Bicycle, Pedestrian, and Enhancement Improvements	123
Financial Plan	123

Highway	123
Local Funding	124
Transit.....	126
Federal Funding.....	126
State Funding	126
Local Funding	127
Transit Operating Costs	127
Cost of Additional Transit Service.....	130
Summary of Transit Financial Plan	130
Other Transportation Modes	131
Bicycle and Pedestrian Plan	131
Design Classification for Routes	139
Transportation Alternatives(TA).....	147
Intelligent Transportation System (ITS)	149
ITS Completed and Planned Improvement Projects	149
Summary of Selected Plan	151

Chapter 7 –Safety Management in Transportation Planing

Introduction	153
Source of Data	153
Quality of Data	153
Analysis of Data	154
Uses of Data	155
Project Selection and Prioritization	160
Existing Project Analysis	161
Bicycle & Pedestrian Safety	161
Transit Safety	161
Conclusion	161

Chapter 8 –Environmental Mitigation _____ 163

Methodology	163
Common Environmental Issues	163
Streams and Wetlands	164
Threatened and Endangered Species	176
Section 4(F) Mitigation	180
Cultural Resources	181
Other Environmentally Sensitive Sites	187
Transportation Plan Analysis Summary	192

List of Consulting Agencies	195
Input on the 2040 Transportation Plan by the Consulting Agencies	196
Chapter 9 –Freight _____	199
Freight Movement in Allen County	199
Rail	199
Air	202
Roadways	204
Chapter 10 –Future Efforts and Implementation _____	211
Status of Previous Transportation Plans	211
Current 2035 Transportation Plan	213
Future Efforts	216
Congestion Management System	216
Access Management	217
Alternative Travel Methods	217
Corridor, Site Impact, Intersection Analysis, and Feasibility Studies	217
Security	217
Passenger Rail	218
Gateway Plan- City of Fort Wayne	221
Implementation	223

Appendixes

Appendix A – Congestion Management Program
Appendix B – 2015 Socioeconomic Data
Appendix C – 2040 Socioeconomic Data
Appendix D – Access Standards Manual 2011
Appendix E – Roadway Design Standards
Appendix F – Local Project Cost
Appendix G – Bus Fort Wayne Plan
Appendix H – The Coordinating and Transportation Services Guide
Appendix I – Coordinated Public Transit-Human Services Transportation Plan for Allen County

Appendix J – Public Participation – Comments and Responses

Appendix K – Pedestrian component of the Transportation Plan\Bicycle
Parking Recommendation Policy

Appendix L – Environmental Document Data Citations
